Hot/Modern AC

Mainstream AC

MercyMe "I Can Only Imagine": "Star's Afternoon Team heard it and cried, so they wanted their listeners to hear it as well. After our first play, we fielded dozens of phone calls; all of them, positive. We played it the next day, and received over 100 emails, thanking us for playing it and encouraging more airplay. We're now playing it in mornings, as well!" Dan Bowen, WSTR/Atlanta
