mercy "Here With Me" **CURB**

A MASSIVE A/C HIT! But now showing BIG RESEARCH at key Top 40 & Hot AC Stations!

"Last year WNCS enjoyed massive success with "I Can Only Imagine" from Mercy Me ...not only did it request huge but came through in my call-out. After the success, it was natural to add "Here With Me". With all the same old sounding rhythmic and female pop records, "Here With Me" gives my station the balance it needs. After 250 spins, my gut feeling has been certified with Top 10 call-out. To be a successful mainstream Top 40, you need records like this that captivate your listeners. Another proven hit from Mercy Me."

-John Reynolds, PD WNKS/Charlotte
