present **TECH SURVEY IV 2008 RESULTS**

Are more of your listeners streaming video, using iPods, or texting? How many own cell phones? How many have high-speed Internet access? Has their radio listening increased or decreased? Do they read on-line news? How important is social networking to them? Are they users of podcasts? How familiar are they with Pandora or iTunes? What impact does TiVo/DVR have on radio listening? Learn the answers to these and more
