1986 Main Street's 20th Anniversary 2006

Longtime market-leading morning man, KQRS/Minneapolis' **Tom Barnard**, walked off with the Marconi Award for Large Market Personality of the Year yesterday at the **NAB Radio Show** in Dallas, yesterday. It marks the second Marconi for KQRS in the past three years; the ABC rocker garnered the 2003 Marconi for Rock Station of the Year. Other neighborhood winners grabbing Marconi's in Dallas: **Network Syndicated Personality of the Year:** WFBQ/Indianapolis' Bob & Tom (Premiere Radio Networks); **Country Station Of The Year:** KYGO/Denver; **Oldies Station Of The Year:** WMJI/Cleveland; **Religious Station Of The Year:** KJIL/Meade, KS; **Rock Station Of The Year:** WEBN/Cincinnati; and **Urban Station Of The Year:** WGCI/Chicago. Congrats to all!

Earlier at the co-located NAB Radio Show/R&R Convention, R&R's Industry Achievement Awards were presented over the past 2 days. Midwest/Mountain winners in various formats included: **Hot AC Station of the Year Market 101+:** WAJI/Ft. Wayne, IN. **Hot AC PD of the Year:** Scott Sands of WZPL/Indianapolis; **Classic Rock Personality/Show Of The Year:** Bob & Tom – WFBQ/Indianapolis; **Rock Personality/Show Of The Year:** The Dawn Patrol - WEBN/Cincinnati; **Active Rock Personality/Show Of The Year:** Drew & Mike – WRIF/Detroit; **Rock Music Director Of The Year:** Fritz – WEBN/Cincinnati; **Rock Station Of The Year – Markets 26-100:** WEBN/Cincinnati; **Active Rock Station Of The Year – Markets 26-100:** Tie – KQRC/Kansas City and KOMP/Las Vegas; **Alternative Station Of The Year – Markets 26-100:** KRBZ/Kansas City; **Classic Rock Program Director Of The Year:** Rick Balis – KSHE/St. Louis; **Active Rock Program Director/OM Of The Year:** Doug Podell – WRIF/Detroit; **Rock Station Of The Year – Markets 1-25:** WMMS/Cleveland; **Active Rock Station Of The Year – Markets 1-25:** WRIF/Detroit; **Classic Rock Station Of The Year:** KSHE/St. Louis.

Clear Channel country KEEY/Minneapolis's morning stalwart **John Hines** came under a bit of local fire earlier this week for comments made earlier this month about celebrity baby **Zahara Jolie Pitt**.

Zahara's name came up when Hines and company discussed a news story about actor **Jon Voight** sending happy birthday wishes to grandson **Maddox Jolie Pitt**. Voight had apparently not met any of the children of his estranged daughter, **Angelina Jolie** and reputedly had botched the name of granddaughter Zahara in an interview in early September. John ran with Voight's faux pas, as the morning crew tossed out the names **Chaka Khan** and **Scheherazade**. Hines chimed in: "He could have said Chocolate Monkey for all I know and what would the difference be? He's never met the kids." **Zahara Marley Jolie Pitt** – a black child - was born in Ethiopia, orphaned by AIDS-stricken parents and adopted by Jolie in July 2005. The station did receive a complaint about Hines' remark, a complaint a local newspaper gossip columnist used to vilify the morning man. Said Hines to the columnist, "(If I would have known the origin of Zahara) I certainly wouldn't have made that comment. Oh, I've got a lot of issues, honey, but [racism] is not one of them." Last week, while he was on vacation, he went on the air to apologize but the columnist (**CJ Johnson**) was unrelenting, writing that the listener who complained had "trouble swallowing (the apology)." *Comment: John – who was named 2006 Country Radio Broadcasters Humanitarian of the Year last winter for his work with area charities – said he had no idea Jolie had been putting together a mixed-race family, and he's to be believed. In his reach for a laugh, he inadvertently crossed a line he had no idea he was crossing. The lesson learned? When in doubt, leave it out. Lesson 2? It doesn't hurt to pick up and read People magazine every now and then.*

Congressmen **Maurice Hinchey** (D-NY), **David Price**, (D-NC), **Sherrod Brown** (D-OH) and Congresswoman **Tammy Baldwin** (D-WI) led 34 House Democrats in urging FCC Inspector General **Kent R. Nilsson** to conduct an investigation into the recent revelations that the agency hid two studies on media consolidations from the public. Senator **Barbara Boxer** had previously called for a similar investigation. The House Democrats claim that such a suppression would amount to fraud and run in direct opposition to the FCC's stated policies of transparency and public involvement. **Kevin Martin**, current FCC Chairman, is conducting an internal investigation into the matter. The alleged report suppression would have happened under the watch of former Chair **Michael Powell**. Powell has publicly denied any wrongdoing.

Former **Harker Research** Executive VP **Gary Nolan** has designs on returning to programming. He has 20 years of major market programming experience including WLTE/Minneapolis, KRWM/Seattle, and WLTW/New York. On the Conclave's Board of Directors, Gary can be reached at (919) 610-0481 or at [garyn7200@yahoo.com](mailto:garyn7200@yahoo.com).

Total Axxess plants to broadcast its entire two-day trip to Marshall, Minnesota. The small town has tragically seen the death of eight teenagers in three months, all unrelated deaths. Food company Schwans donated its corporate jet to fly **Sanctus Real** (Sparrow Records) along with Total Axxess host **Jayar** from Minneapolis to Marshall for the "One Stop Tour" on September 11 and 12. Community members donated light, sound, food and transportation in order to bring music to the town.

*Rumor:* Who is **Kate Kennedy**, and what's up with the Conclave?

Beginning September 18<sup>th</sup>, **Entercom** Classic Rock KYYS/Kansas City is offering the "Max, Tanna, & You" talent search. This is to replace **Larry Moffit**, who left KYYS for Country WDAF, across the hall. Everyone is invited to submit his or her best 60-second audio or video clips at [www.kcradiogod.com](http://www.kcradiogod.com). The public will then vote on which they like best. The three finalists will audition on-air during a morning show with **Max** and **Tanna**. The starting salary for the winner will be a standard annual base of \$50,000 and full benefits.

**Tom Land** has been promoted to Journal Broadcasting's Director/Radio Programming. Land will have a new corporate role, where he will work directly with local programming teams to plan and execute product strategies. He will still be based in Omaha and still supervise that market's programming department. President **Doug Kiel** says, "Time and time again, Tom has shown his ability to develop winning products and top talent in our radio group. At our Omaha stations, Tom's leadership has been important to our success. He understands and embraces our belief that great radio stations make a powerful connection with local audiences." Land expressed gratitude for the opportunity and excitement in moving forward.

Faculty for TalenTrak 2006/Charlotte is starting to firm up, with nationally syndicated wildmen **Ace & TJ** confirmed for a "teaching" assignment on Saturday, October 21<sup>st</sup>! Legendary consultant and Conclave Advisory Board member **Dan Vallie** has also agreed to share the stage during the TalenTrak's morning general sessions. They'll join veteran programmers like **Clear Channel's Bob Wagman**, **CBS' John Reynolds**, **Lincoln's Neal Sharpe** (and more PD's TBA) on what's shaping up to be an all-star faculty for the 11<sup>th</sup> annual seminar, beginning at 9 AM. At lunch **Sheri Lynch** of **Bob & Sheri** fame will keynote with stories of syndication success! Then, the all-important *Aircheck Clinic* will happen – while the first TalenTrak Job Fair occurs elsewhere in the host Holiday Inn Center City hotel. **Capitol Records/Nashville** President/CEO – and former **RCA/Minneapolis** rep - **Mike Dungan** was honored by Capitol's parent **EMI Group** and was one of three execs presented a special award at EMI meetings in Ireland last week. The "Levy Award" is named after EMI Music Chairman/CEO **Alain Levy**.

Proving that good guys (and ladies) occasionally win in the industry, **Warner Bros.** VP/Rock Formats **Mike Rittberg** has been named SVP/Promotion for **Reprise Records** succeeding **Phil Costello** in the big chair!

**Lewis In with the In-Crowd!** **Narada** recording act and **WNUA/Chicago** morning guy **Ramsey Lewis** will host a nationally distributed morning show on **Broadcast Architecture's** new *Smooth Jazz Network*, beginning in January 2007.

**Clear Channel's** **WNUA** will be home for the new nationally syndicated "*Ramsey Lewis Morning Show*," allowing Lewis to continue to be teamed with his **Karen Williams**, as well as show producer **Bob Kessler**. The jazz legend also anchors the weekly syndicated *Legends Of Jazz With Ramsey Lewis*.

**Rover** is out in Detroit, as CBS Talk **WKRK/Detroit** drops the Cleveland-based syndicated morning show, replacing it with **Opie And Anthony** who move over from sister sports **WXYT-AM**.

**Mike Henriksen**, the long time co-host of *Sports Talk with Craig and Mike* on **KWSN/Sioux Falls**, will be leaving the show to take over as host of *Sportsmax*, a weekly radio sports magazine heard on 13 stations across South Dakota. Henriksen will continue to do play by play for **KWSN**, and will continue to broadcast State Championship events for **South Dakota Public Television**.

**Woodward** Top 40 **WKSZ/Green Bay** & sister rock **WAPL** raised over \$340,000 on last week's annual *Kiss for Kids* radiothon for the **Children's Hospital Of Wisconsin**. Station personnel spent four days broadcasting live from Bay Park Square Mall in Packer-town, the seventh annual trip to the mall for the stations.

*Looking Up To Number One: The Count-Up Show* hosted by Midwest radio veteran **Johnny Stone** has added Hot AC **KLTA/Fargo** to its affiliate list. A product of **Envision Radio Networks**, the show counts up to the top Contemporary Christian song each week, providing artist interviews and entertainment news. The *Looking Up* host moonlights as the morning guy at **WAWZ/New York**, and had previously been an air talent in **Minneapolis** and **Chicago**.

A unique radio operation is taking shape in Spokane, and we'll let PD **Kekeluv** (who hopes the station will be so successful it will allow him to buy a last name...or a first name...or even, another

vowel) tell you about it: "As of a few months ago, I've been programming **KQQB** – 1045 and Operations Manager for the group. Spokane's 1045 is the only top 40 mainstream in the market. We've been operating at 2000 watts since the launch almost a year ago. In the upcoming week, that 2,000 will boost to 86,000 watts. We're very excited about the future of this radio station and the company's birth. Also, this radio station is custom building the studios in downtown. Inside the station, there will be a coffee shop (the radio café). Spokane's 1045 will be very hands on with their listeners. People will be able to walk in, order coffee, and request a song. There will be a place to do an unplugged show or live meet/greets. Oh yeah...This is a **Jerry Clifton** Owned company."

As of today, **Clear Channel** Top 40 **KSLZ (Z107.7)/St. Louis** is jockless. It's just music and sweepers that say: "Monday, 5p, Z107.7." PD **Tommy Austin** had "no comment" on the station's mysterious sounds of jock silence, so *The TATTLER* naturally wonders what's going on? Saaay...didn't the Fall Book just get underway yesterday? You don't think this could have anything to do with THAT, do you??

**Brian O'Neil** will be joining Milwaukee's 95-7/Milwaukee for the 2-7pm afternoon shift. He will also be managing and imaging the **Clear Channel Milwaukee** HD-2 channels. He moves eastward from **WAXX-FM** in Eau Claire where he has been APD. and afternoons for the past three years...**Mcdonald Broadcasting** Country **WKCQ/Saginaw** OM/afternoon **Rick Walker** has exited...**Clear Channel Indianapolis** has named **Rick Green** as GM, overseeing **Rocker WFBQ**, Alternative **WRZX** and News/Talk/Sports **WNDE**.

*The TATTLER* sadly reports the death of 26 year old **Nick Steinmetz**, son of former **ABC Group** President, **ABC Minneapolis** Market Manager, and CBS radio executive **Mark Steinmetz**. Nick died in a one-car accident last night in Waterloo, Iowa. Funeral arrangements are sketchy as this point in time, but it is believed his funeral will be held in Minneapolis next week. We'll have more details as they become available.

*Jobs.* **KFNS "The Fan"/St. Louis**, is looking to land a "winner" to lead the Promotions and Marketing Department.
