The Conclave has announced that Tim Kelly, Corp. Dir. of Operations. For Elyria-Lorain Broadcasting Co has been elected to the position of Board Chairman for the non-profit organization. Kelly's election follows the retirement of long time board chair, **Danno Wolkoff**, CEO of **Envision Radio Networks**. Kelly commented, "Under Danno's leadership The Conclave has become one of the most respected educational organizations in our Industry. I am honored to help continue our commitment and excited about the future of broadcasting." Kelly's election was part of the annual Fall meeting held by the Conclave Board of Directors in Minneapolis, MN on Saturday October 13th. Tom Kay, Conclave Executive Director noted, "It was exciting to see Tim elected as our Board Chairman this past weekend. He is a respected, active radio professional with deep roots in programming and management. Those who know him understand his unbridled love of the medium and his vision and passion will be essential in carrying the mission of the Conclave to a new generation of broadcasters!" Commenting on his decision to step down, Wolkoff said, "Being on the Conclave Board of Directors for the past 15 years and serving as its chairman for the last seven has been one of the most fulfilling experiences for me personally and professionally." He further commented, "I owe a debt of gratitude to all my fellow board members I've had the privilege of working with at the Conclave."

The Conclave has announced the election of four new board members including Karol Baumeister, Career Services Director/ Brown College-MN; Mark Bolke, COO/MusicMaster; Rebecca Pixley, VP/Envision Radio Networks; and Bob Taylor, PD Clear Channel/Binghamton-NY. Departing the Board were **Dave Hintz**, Marketing Dir/Progressive Insurance-Cleveland, Jamie Phillips/ Waterloo-IA, and Danno Wolkoff CEO/Envision Radio Networks. Each will still remain active with the Conclave as members of the volunteer Executive Committee. Said incoming Board Chairman, Tim Kelly; "We thank Dave, Jamie and Danno for their collective years of hard work and dedication. They have been instrumental in the growth of the organization, and will be missed at our Board table." The four new members join eleven other Directors: Jane Dyson/Minneapolis, Tony Garcia/Lincoln Financial Media-Charlotte, Jerry Boulding/Allaccess.com-Malibu, Paul Heine/ Radio and Records-New York, Lester St. James/Three Eagles-Lincoln, Daniel Anstandig/McVay Media-Cleveland, Gary Nolan/ WTLT-Fort Myers, Siobhan Kierans/All State Insurance-Minneapolis, Brad Erickson/KFAT-Anchorage, Phil Wilson/ Minneapolis, and Tim Kelly/Elyria-Loraine - Cleveland.

She fought the law and the law won...so far. The TATTLER has been following the copyright infringement case of **Jammie Thomas.** We now have more details on her appeal of the \$220,000 fine leveled against her. She and lawyer **Brian Toder** are arguing that the fine should only reflect the minimal damages of downloading the 24 songs, and that any award above and beyond the value of the songs is "purely punitive." Said Toder, "Assuming plaintiffs receive 70 cents per song, and pretending that defendant's downloading went to someone other than plaintiffs' agents, plaintiffs' damages would be \$16.80.... Multiplied by the maximum Constitutional limits a proper remittitur would be in the amount of zero dollars to \$151.20."

Arbitron eliminated three metro diaries from the Traverse City-Petoskey, MI area from the in-tab sample after acknowledging that they were returned from a media-affiliated household. Audience estimates for **Northern Broadcasting** AC WSRT are expected to be significantly affected by the change, while other stations are expected to be affected to a lesser degree. Arbitron will release a revised Spring 2007 e-Book on Monday, October 22.

Rep. **Mike Pence** (R-IN) filed a petition Wednesday to ban the return of the Fairness Doctrine. Pence urged Congress; "The time has come to do away with the Fairness Doctrine once and for all.... If you oppose the Fairness Doctrine, sign the petition. If you cherish the dynamic national asset that is American talk radio, sign the petition. If you simply believe that broadcast freedom deserves an up-or-down vote on the floor of the people's House, sign the petition." An up-or-down vote on the bill will be forced if a majority of Congress decides to sign the petition.

Don Imus will be returning to radio after all, and he is also in talks with a cable network about relaunching a simulcast of the forthcoming **Citadel** WABC-AM New York program. The network is the Omaha-based RFD-TV, which reaches 30 million homes and is known primarily for farm and agricultural programming and polka shows. The channel recently aired a documentary about the Imus Ranch.

Will someone get him a glass of water? Lansing market Sportscaster **Earle Robinson** is suffering from a case of the hiccups that has lasted since last Wednesday. He was able to manage his weekly appearance on WILX-TV's **Staudt On Sports**, but hasn't been able to do his noncommercial WKAR-A/East Lansing weekday show. Sadly, this affliction is not entirely new to him – he said that last year he hiccupped for about a week-and-a-half before finally managing to shake it.

Melissa Moore will be joining **Greg Thunder** for the **Hubbard Broadcasting** Hot AC KSTP (KS95) morning show starting November 5. Moore's past experience includes stints at **Cox** Country WWKA Orlando and **Entercom** AC KOSI Denver.

Mid-West Family Oldies KOSP (OLDIES 105.1) Springfield has now become STAR 105.1 and will be spinning a mix of the 60s, 70s, and 80s.
