Sirius-XM radio CEO **Mel Karmazin** wants to thank the **NAB** for their "vigorous opposition" to the Satellite Radio merger. Karmazin says he wouldn't have gotten the deal by regulators without it. Karmazin, on **Howard Stern** and again on **Opie and Anthony** said the monopoly argument was undone by the industry's criticism saying, "The fact that terrestrial radio broadcasters lobbied so hard proves we're in a competitive market...If we are a duopoly on our way to a monopoly, by definition, they are not in that pie. Thank goodness for it and hats off to the head of the NAB. We all owe him. When we all get to toast this merger, I will be celebrating him first. The NAB declined to comment.

Former **Chicago Bear** and **Tribune** Talk WGN-AM/Chicago "Sports Central" co-host **Dan Hampton** crosses the street to co-host 10a-noon on **CBS Sports WSCR-AM** with **Laurence Holmes**. That mid-morning slot was vacated by **Mike Mulligan** and **Brian Hanley** when they moved to mornings.

Lincoln Financial Sports KKFN-AM-FM/Denver lost the radio rights for the **Denver Nuggets** and **Colorado Avalanche** to crosstown **Mile High Sports Radio** Sports KCKK-AM. The deal also includes an option for KCKK to carry MLS Colorado Rapids and NLL Colorado Mammoth games.

Radio has given \$1.5 billion dollars worth of free advertising to **Wrigley Gum**. Wrigley paid **Chris Brown** and undisclosed amount to include a subtle reference to its gum in the song "Forever" which reached #3 on the charts. The song has spun nationwide a total of 90,156 times. **MediaBase** President **Rich Meyer** says, "You can't buy that kind of placement." The song includes, "Double your pleasure, Double your fun" in its chorus and will be featured in an ad campaign to start next month.

The **MUSICFIRST** Coalition used the **Clear Channel** sale to release the following statement regarding their attempt to bring a performance rights fee to radio. “News that Clear Channel, the largest radio ownership group, has gone private for \$24 billion casts a spotlight on radio’s failure to compensate the artists and musicians who bring music to life and listeners ears to the radio dial,” wrote Exec. Dir, **Doyle Bartlett**. “The contrasts could not be more stark — \$24 billion for corporate radio’s ownership, not a penny for America’s artists and musicians. Without music, this deal would be impossible. Without music, Clear Channel’s radio empire would just be castles in the sand. Yet corporate radio refuses to discuss a fair performance right for America’s artists and musicians.”

The **NAB’s** EVP/Media Relations **Dennis Wharton** responded. “Free radio airplay of music by Clear Channel and thousands of local radio stations has generated untold millions in wealth for the RIAA and recording artists. We continue to question why the RIAA would support a prohibitive tax on the very broadcasters who represent the recording industry’s number one promotional platform.” Clear Channel EVP/Chief Legal Officer **Andy Levin** said “We provide free advertising and promotion to record labels and artists in the form of thousands of hours of air time each and every day. It is irrational for the record company conglomerates to push for us to pay even more in the form of a performance tax, while at the same time demanding that they be allowed to continue their statutory exemption from paying for the air time they use.”

Congrats to **Bob Kevoian** and **Tom Griswold**, the creators and hosts of “The Bob & Tom Show” for signing a long-term contract with **Premiere Radio Networks**. The deal also includes distribution of the recently created “Bob and Tom All-Nighter” for stations wanting comedy in evenings and overnights.

Impact Radio/Boise, ID shuffled management and programming this week. Programming vet **Mikey Fuentes** joins as Director of Programming. Mikey has had a long career all over the west, including: KWIE/Riverside, KVIB/Phoenix, KKSS and KYLZ/Albuquerque and KFMB/San Diego. Oldies KQLZ will move from 100.7 to 99.1, replacing Talk/Sports KTMB. 100.7 will switch to a Regional Mexican format.

Bethesda Christian Broadcasting Christian AC WPF and WNLI/Sturgeon Bay, WI grabs former **Adonai** Christian AC KXOJ/Tulsa APD/afternoon **Dave Gordon** as GM.

Entercom/Denver Director of Marketing **Allison Warren** is leaving for cheese as Director/Business Development for the company’s Milwaukee and Madison clusters. Entercom/Denver names **Julie Fendrich** as the new Marketing Director. Fendrich was recently Marketing Director at crosstown **Denver Radio Company** Top 40 KONN and Alternative KTNI.
